RE: AURORA CAFÉ – MOSGIEL

Fonterra are in the process of establishing a large warehousing operation in Mosgiel and one aspect of this planning is developing meeting areas where regional and national conferences can take place in a new and well equipped environment.

We have been utilising Aurora Café's expertise with providing an excellent catering service on a regular basis to accommodate all our requirements.

We have been exceptionally happy with all aspects of their service. They have always provided their services at sometimes very late notice, offer excellent options and quality, provide generous portion sizes and offer a delivery service which is always on time.

As Fonterra Mosgiel expands we anticipate our requirements for catering to escalate and have absolute confidence in Aurora's ability to maintain the excellent service they have provided thus far.

Kind regards
