

At Aurora Café we cater for your function by listening to and meeting your requirements. We pride ourselves on a service that is timely and hassle-free, delivering well presented, great tasting fare.

Testimonial

“We have been utilising Aurora Café’s expertise with providing an excellent catering service on a regular basis to accommodate all our requirements. We have been exceptionally happy with all aspects of their service.

They have always provided their services at sometimes very late notice, offering excellent options and quality, providing generous portion sizes and with a delivery service which is always on time.”

Aurora Café

FUNCTION CATERING

Catering to **your** requirements.

At Aurora Café
you receive
personal
attention and
tailoring of your
menu so that your

function is the success you dreamed of.

Whether it be a simple, elegant morning
tea for two, a birthday shout or corporate
function, Aurora Café have the capability
and experience to deliver exactly what
you want.

We believe that to be enjoyed at its best,
food should be prepared on our premises
and make use of local grown produce
wherever possible.

Menu options described below are a sample of fare commonly prepared for functions. We present these as a guide but ask that you discuss your preferences so that your menu can be tailored to meet your requirements. We are experienced in catering for special dietary needs. Gluten free options are available for those marked (*) below. Prices are indicative for your convenience.
